#### *How to Claim a Public Records Exemption*

If the MMTC intends to claim any exemption from public records disclosure under section 119.07, Florida Statutes, or any other exemption from public records disclosure provided by law for any part of its request, it must indicate on the request the specific sections for which it claims an exemption and the statutory basis for the exemption. The requestor shall submit a redacted copy of the request redacting **only** those items identified as exempt concurrent with the submission of the request for approval. Failure to provide a redacted copy of the request at the time of submission or failure to identify and redact information claimed as trade secret may result in the release of all information in response to a public records request.
