

Understanding the Registry

Understanding Your Orders

Step 1: Log into the Medical Marijuana Use Registry <https://mmuregistry.flhealth.gov/>.

*If you do not remember your password, learn how to reset it by [clicking here](#).

Step 2: Navigate to the "Your Profile" menu option at the top of the page to view your information.

Step 3: Scroll to the bottom of your profile page to the section that lists your orders.

Each order shows you:

- Order status: Orders are listed as Open, Scheduled, Expired, Completed, or Cancelled.
 - Open: Orders from which you can currently purchase medical marijuana.
 - Scheduled: Orders that will become Open at a later date.
 - Expired: Orders that are past the end date but not all dispensations were made.
 - Completed: all dispensations have been made from that Order.
 - Cancelled: your physician has cancelled the Order.
- Order Type: Shows type of marijuana recommended by your physician.
- Start dates: The date the Order is open or scheduled to open.
- Placed by: The name of the physician who placed the Order. *Clicking the physician's name will take you to their physician profile page.*
- Purchase Device: Shows if you can purchase a delivery device or not. This is decided by your physician.
- Days: The number of days your Order is open.
- End Date: The date your Order will expire.

Step 4: Click "Expand" to see the details of your order.

Orders for: NEW, PATIENT

Once the order has been expanded you will find:

- The route your physician has recommended for you to use/take for that type.
- Total Amount Ordered: The total milligrams on the Order.
- Mg Per Day: The total number of milligrams per day your physician recommends.
- Note: Notes from the physician for you or the MMTC.
- Details on all items you have purchased from an MMTC.

The screenshot displays a medical order management interface. At the top, there are two rows of order information. The first row shows an order for 'Medical Marijuana' with a quantity of 70 mg, ordered on 11/14/2019, and a due date of 1/22/2020. The second row shows an order for 'Low-THC Cannabis' with a quantity of 70 mg, ordered on 11/14/2019, and a due date of 1/22/2020. Below these rows are buttons for 'EXPAND' and 'COLLAPSE'. A red arrow points from the text 'Different routes recommended by the physician' to the 'Oral' and 'Topical' route selection buttons. Below the route selection, the interface shows 'Route: Oral', 'Total Amount Ordered: 70 milligrams', and 'Mg Per Day: 1'. A note states: 'Note: Physician notes for NON-SMOKING routes are here.' Below the note is a table with the following data:

Dispensed On	At	Via	Amount Dispensed	Status
11/14/2019 08:01 AM	Valid MMTC	manager, testing	10 mgs	Given to Patient

Below the table, the text 'Amount Remaining: 60' is displayed. A red arrow points from the text 'Record of all actions taken within the Order' to the first row of the table. Another red arrow points from the text 'Amount remaining after dispensations' to the 'Amount Remaining: 60' text.
