

Understanding the Registry

Close a Certification

Step 1: Log into the Medical Marijuana Use Registry <https://mmuregistry.flhealth.gov/>.

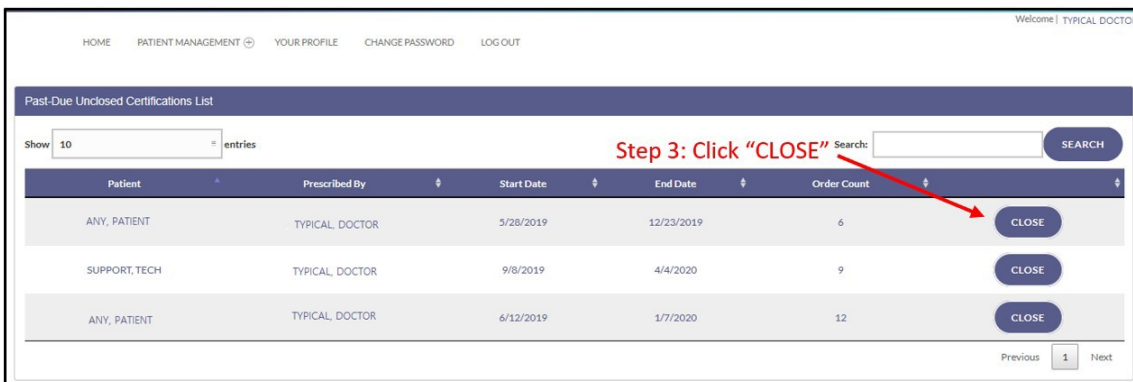

*If you do not remember your password, learn how to reset it by [clicking here](#).

Step 2: Navigate to the "Patient Management" menu option on the top of the page and click on "Unclosed Certifications."

Step 3: Locate the patient with the certification you need to close.

*Any certification that does not have an order within that certification will say "Deactivate." Deactivated certifications will appear as "Inactive" under the Certification Status column.

OPTION 1: If the patient did **not** experience an adverse effect, click "No" and then click "Click Here to Sign Certification."

OPTION 2: If the patient did experience an adverse effect follow steps 4-6 below:

Step 4: Select “Yes” if the patient has had an adverse effect while using medical marijuana and then click the “New Adverse Event” button.
