

Understanding the Registry Physician Dashboard

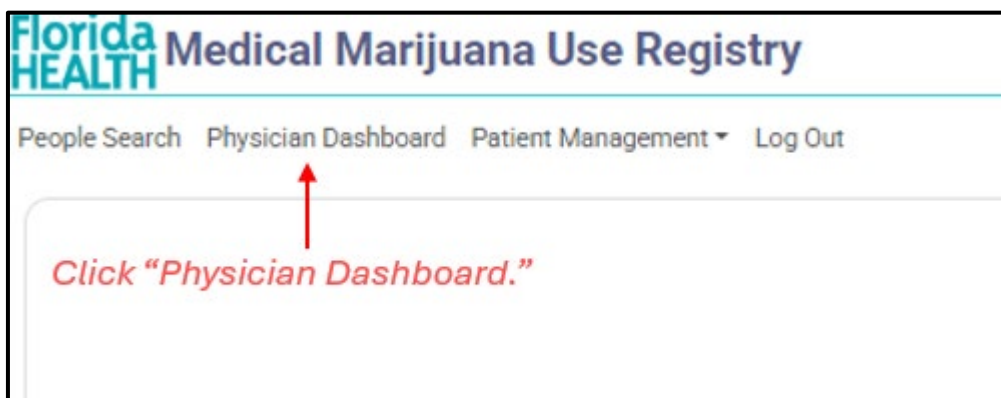

To improve efficiency and streamline access to key tasks and monitor recent actions, a Physician Dashboard feature has been added to the Registry for qualified physicians. This feature provides physicians with direct navigation links to commonly used pages relevant to their daily responsibilities. Upon logging in, qualified physicians will notice a menu option titled “Physician Dashboard.” This guide will go over the content that is included on this dashboard.

Viewing The Physician Dashboard

Step 1: Log into the Medical Marijuana Use Registry, [MMURegistry.FLHealth.gov](https://mmuregistry.flhealth.gov).
