**PETITION FOR FORMAL ADMINISTRATIVE HEARING**

Petitioner, Redland Nursery, Inc. ("Redland Nursery"), files this Petition for Formal Hearing Involving Disputed Issues of Material Fact pursuant to section 120.57(1), Florida Statutes, and Rule 28-106.201, Florida Administrative Code, to contest the Department of Health's (the "Department") preliminary approval of Knox Nursery, Inc.'s application to become a Low THC Cannabis Dispensing Organization for the Central region and the denial of Redland Nursery's application to become a Low THC Cannabis Dispensing Organization for the Central region. In support thereof, Petitioner states:

**Agency Affected**

1. The affected agency is the Department of Health, Office of Compassionate Use, 4052 Bald Cypress Way, Bin #A-06, Tallahassee, Florida 32399-3265. The Department is the state agency responsible for the issuance of licenses to (and the regulation of) Low THC Cannabis Dispensing Organizations ("Dispensing Organizations").

**Petitioner's Substantial Interests**

2. The petitioner is Redland Nursery, Inc., 18455 SW 264<sup>th</sup> Street, Homestead, Florida 33031-1883. Redland Nursery timely filed an application to become the Low THC Cannabis Dispensing Organization for the Central region pursuant to section 381.986, Florida

Statutes and Chapter 64-4, Florida Administrative Code. Redland Nursery's substantial interests are affected because its application to become the Low THC Cannabis Dispensing Organization for the Central region was denied by the Department. For the purpose of this proceeding, the address, telephone number and email address of Redland Nursery is that of its undersigned counsel.

### **Notice of Agency Determinations**

3. Redland Nursery received notice of the Department's denial of its application on November 23, 2015. (See, Exhibit A, attached hereto). Additionally, this petition challenges the approval of the application filed by Knox Nursery, Inc. ("Knox Nursery") because only one Low THC Cannabis Dispensing Organization can be approved for the Central region. (See, Exhibit B, attached hereto). This petition has been filed within twenty-one days of the denial of Redland Nursery's application and the approval of Knox Nursery's application.

### **Disputed Issues of Material Fact**

4. The disputed issues of material fact in this case include whether the application filed by Redland Nursery is the best application submitted for the Central region and, as such, should have been scored higher than the Knox Nursery application and all other applications filed for the Central region, and whether the application filed by Knox Nursery and all applications filed for the Central region meet the mandatory requirements of section 381.986, Florida Statutes and Chapter 64-4, Florida Administrative Code.

### **Ultimate Facts**

5. The application filed by Redland Nursery complies with all mandatory requirements of section 381.986, Florida Statutes and Chapter 64-4, Florida Administrative Code. In addition, it is the best application submitted for the Central region and Redland

Nursery should be selected as the Low THC Cannabis Dispensing Organization for the Central region.

**Statutes and Rules That Require Reversal**

6. The statutes and rules that require reversal of the Department's proposed action include sections 120.57(1), 120.60, and 381.986, Florida Statutes and Chapter 64-4, Florida Administrative Code.

**Relief Sought by Petitioner**

WHEREFORE, Petitioner, Redland Nursery, Inc., respectfully requests:

- a) that this petition be transferred to the Division of Administrative Hearings for the assignment of an administrative law judge to conduct a hearing involving disputed issues of material pursuant to section 120.57(1), Florida Statutes; and
- b) that a recommended order and a final order be entered selecting Redland Nursery as the Low THC Cannabis Dispensing Organization for the Central region.

RESPECTFULLY SUBMITTED this 14<sup>th</sup> day of December, 2015.
