

July 24, 2020

We are pleased to provide this weekly update on the Department of Health, Office of Medical Marijuana Use's (OMMU) diligent work implementing the many requirements in Amendment 2 and those set by the Florida Legislature in section 381.986, F.S. The Florida Department of Health (Department) continues to focus on the health and safety of Florida's families and is dedicated to ensuring patients have safe access to low-THC cannabis and medical marijuana.

Patients

Qualified Patients (Active ID Card): 377,285

Processing Time for Complete Application*: 5 business days

Processing Time for ID Card Printing: 5 business days

**Applications are not deemed to be complete until all required information is received and payment has successfully cleared.*

- Check your application status:

Weekly Highlights

- The following dispensing locations were approved by the Department for the week of July 20 – 24, 2020:
 - Curaleaf – Clearwater
 - Trulieve – Tarpon Springs
- For purposes of preparing for, responding to, and mitigating any effect of COVID-19, the Florida Department of Health (DOH) issued [Emergency Order 20-002](#) to allow the use of telemedicine by qualified physicians for recertifications of already-existing patients. DOH [Emergency Order 20-011](#) extends Emergency Order 20-002 **until the expiration of Executive Order 20-52**, including any extensions. For more information, view our [Frequently Asked Questions](#) on the OMMU website.

Medical Marijuana Treatment Centers

The department is charged with the licensing and regulation of medical marijuana treatment centers (MMTCs). MMTCs are vertically integrated businesses, and are the only businesses authorized to cultivate, process, and dispense low-THC cannabis and medical marijuana.

MMTC Authorization

After initial licensure, each MMTC must receive authorization at three stages prior to dispensing low-THC cannabis or medical marijuana: (1) cultivation authorization, (2) processing authorization, and (3) dispensing authorization.

Low-THC Cannabis & Medical Marijuana Dispensations

MMTCs dispense low-THC cannabis and medical marijuana to qualified patients and caregivers as recommended by their qualified ordering physician at approved dispensing locations, and via delivery. Medical marijuana is dispensed in milligrams of active ingredient tetrahydrocannabinol (THC), and low-THC cannabis is dispensed in milligrams of active ingredient cannabidiol (CBD).

For MMTC contact information and dispensing location addresses, visit <https://knowthefactsmmj.com/mmtc>.

MMTC Dispensations for July 17 – July 23, 2020:

MMTC Name	Dispensing Locations	Medical Marijuana (mgs THC)	Low-THC Cannabis (mgs CBD)	Marijuana in a Form for Smoking (oz)

General Background Information

Medical Marijuana ID Card Application Process: Once a patient has been diagnosed by a qualified physician and entered into the Medical Marijuana Use Registry, they can immediately begin the identification card application process. The department encourages applicants to complete the process online for fastest service. Patients receive an email from OMMU once their email address is added to the registry by their qualified physician, which directs them to the application. Once an application is approved, patients instantly receive an approval email which can be used to fill an order at an approved MMTC while the physical card is printed and mailed. Learn more here: <https://knowthefactsmmj.com/patients/cards>

Medical Marijuana Use Registry: All orders for medical marijuana are recorded and dispensed via the Medical Marijuana Use Registry. The Medical Marijuana Use Registry is accessible online, with real time information to ordering physicians, law enforcement and medical marijuana treatment center staff. Patients and caregivers may also access the Medical Marijuana Use Registry to submit a Medical Marijuana Use Registry Identification Card application, check the status of their application, and review orders and dispensations.
